To:

Commissioners for Workplace Safety and Health
Workplace Safety and Health Officer Registration Unit
Ministry of Manpower (MOM) Singapore

Subject: Testimonial for Mr. Mohd Azrial Bin Mohd Saini

This is to certify that Mr. Mohd Azrial Bin Mohd Saini was employed as a Site Safety Engineer with Total Facility Engineering Pte Ltd from November 2021 to February 2024.

During his tenure, Mr. Azrial was involved in safety management across multiple high-profile semiconductor and pharmaceutical projects, including:

- Intel Pelican Project (Penang)
- UMC Expansion
- Siltronic Fab Next Project
- Micron 10A / A2
- Takeda Manufacturing Singapore

Scope of Responsibilities:

- Preparing, reviewing, and obtaining approval for Risk Assessments, Safe Work Procedures, Fall Prevention Plans, and Method Statements.
- Assessing and managing Work-at-Height, Hot Work, Lifting, and Confined Space activities.
- Conducting toolbox meetings, JSA reviews, and PTW coordination.
- Participating in Safety Committee meetings, inspections, and audits.
- Ensuring compliance with SS679, CONSASS, and ISO 45001:2018.
- Reviewing and updating Safe Operating Procedures.

Key Achievements – Siltronic Expansion Project:

- Conducted weekly safety and training sessions to build site-wide safety awareness.
- Received the Best Contractor Award for safety excellence.
- Managed two major project packages and coordinated nearly 200 personnel.
- Maintained a zero-incident safety record throughout the project.
- Designed a Confined Space Rescue Plan adopted by the client for ERP training.
- Maintained strong recognition for high safety standards.

Professional Conduct and Compliance:

- Strong professional integrity and technical competency.
- Effective stakeholder coordination and hazard control.

We further confirm that during the period of CPIB investigations involving certain industry personnel, Mr. Mohd Azrial Bin Mohd Saini was not implicated, had no involvement, and was not subjected to any inquiry or action related to the case.

Recommendation:

We strongly recommend Mr. Mohd Azrial Bin Mohd Saini for registration as a Workplace Safety and Health Officer (WSHO) with the Ministry of Manpower.

Sincerely,

27/11/2025

[Thiha Tun Khaing]

[Snr. Project Manager]
